

We are CWD - Community Waste Disposal - the largest privately owned waste management company in the DFW Metroplex. We got that way by providing first class service and equipment for our clients. From the very beginning in 1984, we've worked hard to develop a reputation for reliable, on-time service, while offering one of the widest selections of hauling schedules, equipment and recycling programs in the industry. We do whatever it takes to meet the needs of our clients.

95-Gallon Trash Cart

Commercial Cart

CWD 95-gallon polycarts are a great option for businesses that do not have the space for a front load dumpster.

These trash carts are easy to manage, take up only a small amount of space, and handle a small volume of trash every week.

We offer up to four trash carts per business.
