# Trash & Recycling Services

Trash and **recycling** will be collected **once a week**. Please see the map below to determine the pickup day for your area.

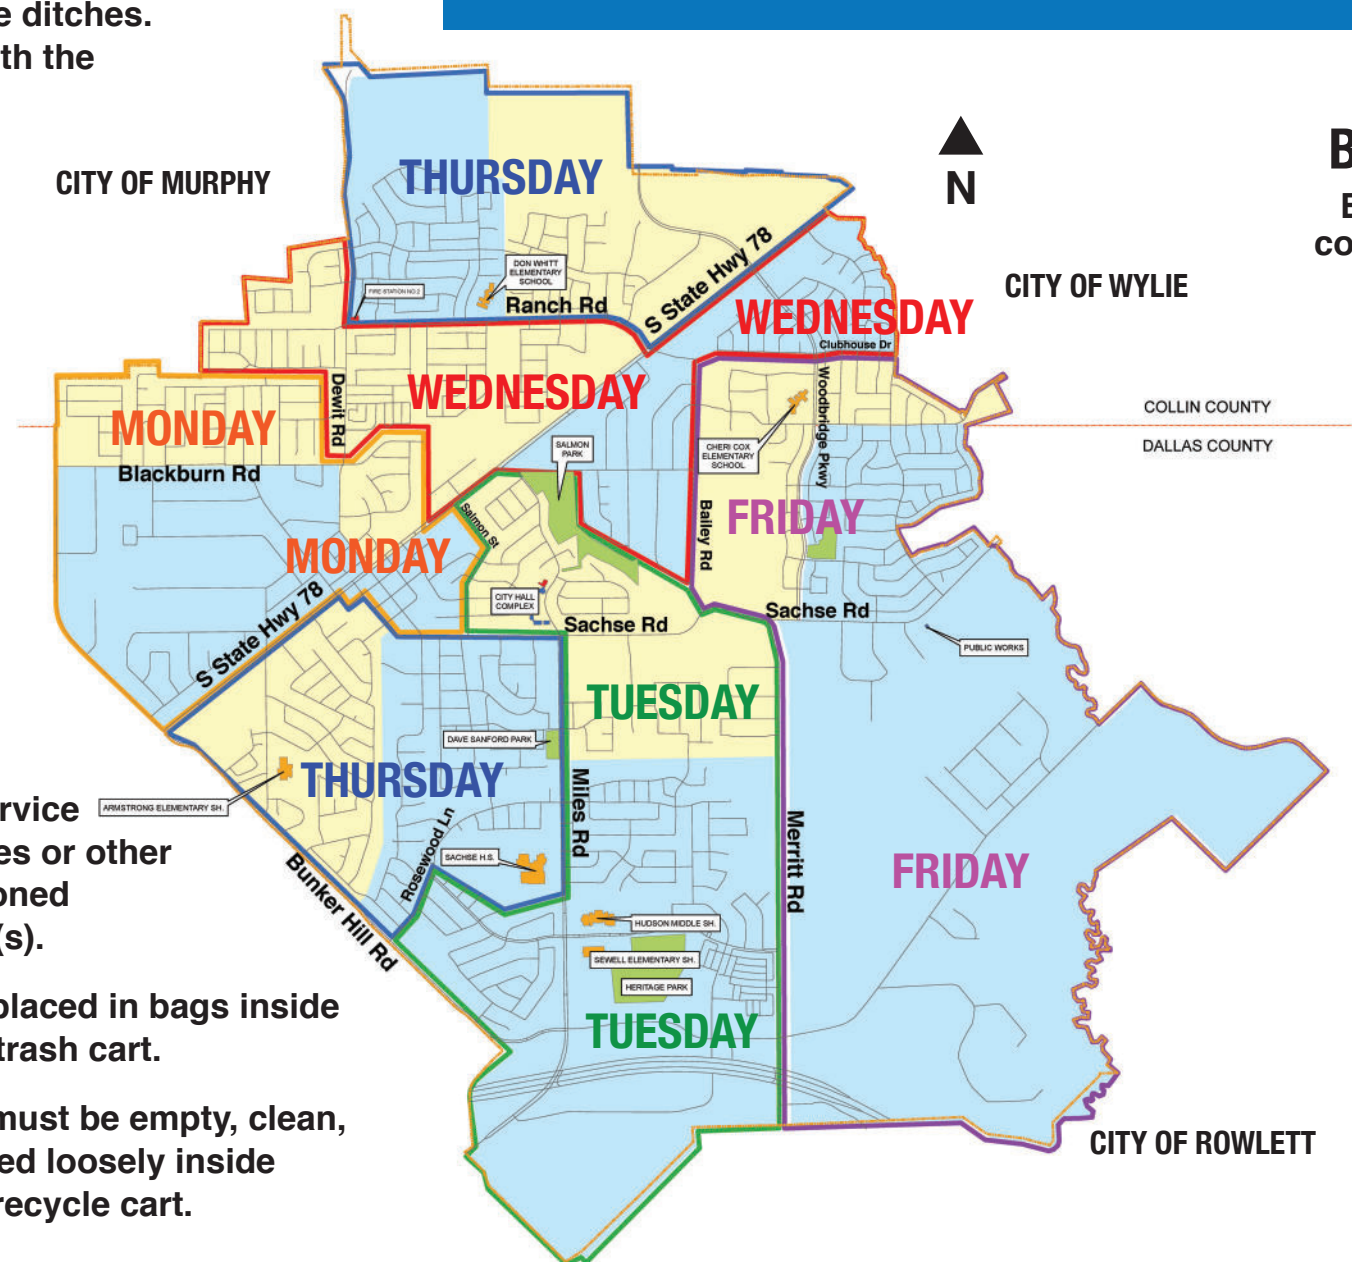

Place all items out no later than 7 a.m. on your pickup day for service between 7 a.m. and 7 p.m.

Please ensure the trash cart and the **recycle cart** are separated by at least three feet, and three feet away from obstacles such as mailboxes, fences, gas meters, and drainage ditches. Position the carts with the wheels toward the residence.

Automated Side Load (ASL) trucks must have adequate space in the street or alleyway for the truck to line up to a cart and allow for the truck's arm and claw to extend to retrieve the cart. All TRASH must be placed in bags inside the GREY 95-gallon trash cart.
