**FRONT LOADER
WITH CONTAINER**

FRONT LOAD

CWD owns and maintains over 2,000 front load dumpsters. We have a large inventory of front load containers guaranteeing you prompt and reliable container maintenance and exchange. Let one of our professional sales staff help you decide what is right for your community needs.

We offer a variety of sizes including 2, 3, 4, 5, 6, and 8 yard containers. All are available for trash.

**30 YARD OPEN TOP
CONTAINER**

OPEN TOP CONTAINER

Temporary construction open top containers are available for a single haul or multiple hauls. These can be used by both individuals as well as businesses.

Permanent open top containers are available for long-term construction or projects and can be hauled on call or set to a schedule. The equipment available includes 20, 30, and 40 cubic yard open top containers.

CWD does NOT provide temporary restroom facility services.

**SELF CONTAINED
RECYCLE
COMPACTOR**

ROLL OFF

CWD offers multiple compactor options, including self-contained and stationary compactors. All compactors are available in a variety of sizes and are custom designed for your business.

Every piece of equipment meets current OSHA and UL requirements. Compactors may be hauled on a set schedule or upon request.

COMMERCIAL/INDUSTRIAL RECYCLE SERVICES

CWD provides weekly services for Cardboard Recycling in 8 cubic yard slotted containers. The slot encourages workers to flatten boxes prior to depositing them into the container, therefore increasing the amount of material held per container.

August 10, 2023

Dear Commercial Business:

The Southlake City Council approved a new contract to Community Waste Disposal (CWD) on Tuesday, August 1st to provide residential and commercial solid waste and recycling services. As of October 1, 2023, CWD will be the only approved vendor for commercial trash and recycling collection.

A CWD representative will be contacting you to facilitate the transition, discuss and confirm your service levels, and provide additional information regarding your new service.

Prior to CWD beginning service, we encourage the commercial customers to email CWD at Southlake@cwd.to to ensure correct billing information is established and successfully transferred from the existing provider.

Should you have any questions about container sizes, pricing or service levels, please email Southlake@cwd.to or call CWD Customer Service at 972.392.9300 (option 2).

We welcome the new partnership with CWD, and if you have any questions about the City's contract, please contact the City of Southlake at llaneave@ci.southlake.tx.us.

Sincerely,

A handwritten signature in black ink, appearing to read 'Lauren LaNeave', written in a cursive style.

Lauren LaNeave
Deputy Director of Public Works - Administration

We are CWD - Community Waste Disposal - the largest privately owned waste management company in the DFW Metroplex. We got that way by providing first class service and equipment for our clients. From the very beginning in 1984, we've worked hard to develop a reputation for reliable, on-time service, while offering one of the widest selections of hauling schedules, equipment and recycling programs in the industry. We do whatever it takes to meet the needs of our clients.
